

Mod26

I became 26 today. that means I was born in 1993. So here is a story that I would like to share for this special occasion.

I often get distracted by random thoughts, for example I prefer to call addition Plus instead. Please dont Bash me for that. I think Plus just sounds better, but as my friend Aelric always says, having opinions is more important than having the right opinions. Anyways, I actually wanted to talk about my recent travel to a Powerhouse, not the tourist attraction I was expecting in Rheems. However being there just gave me some kind of Euphoria, Ciela totally agreed with me. I really had to Scratch my head about why but I did. Most of the building had kind of a Citrine color. I disliked it but Claire found it did the building well.
