

# Unseen Language

Some documents have gone missing. Help us retrieve it.

## Rules:

- Fake documents are (and can only be) adjacent to a square with a UFO. Adjacent includes corners.
- All UFO squares have at least one fake document adjacent to it.
  - Fake documents are never adjacent to each other.
  - All rows or columns have zero or one fake document. However, rows or columns indicated by an alien head have more than one.
  - There is nothing under squares marked with a UFO.
    - Authentic documents are never adjacent to fake documents.
- Authentic documents are never in a row or column that has more than one fake document.
- Each grid can have either one or two authentic documents.
