Let's test your knowledge of the amazing event known as Pandora. The first Pandora took place in **(I2,E4)**. It started as a Dutch event but in 20**(B2, G5)** it became English. This year is already the **(H1, A8)**th Pandora, according to our own archive! This year it will take place on the **(B4)**th of the **(D3)**th month.

The event has **(I3)** days, each of which start with a meeting. Each day has **(D2)** puzzles, but the time bonus is already awarded after you have solved **(C8)**! Being alone is no fun, so Pandora is played in teams of up to **(B5)** players. It's no easy feat to find the solutions, the buildings are numbered up to **(D1, B1)**. Pandora isn't only about puzzles, but you can also earn points with kills, for which you get **(E9)** types of weapons at the start. And that is excluding bonus weapons!

This year's Pandora is organized by an amazing committee, consisting of **(C7)** awesome people. You've heard the name of our theme, FantasyA. This of course immediately reminds you of the film made in 19**(H7)0**. This film has a running time of **(D5, B9, I9)** minutes and had a budget of 2.**(I4, A1)** million. But don't worry, you don't have to know about this movie to enjoy this year's Pandora.

But most importantly, there is only **(E7)** team that can win! This team will make a great start by going to building **(C1, D4)**.
